REUNION 2014 PLANNING UNDERWAY

Our Reunion 2014 Committee, headed up by Anne Roy VFA #2046 and Harold Violette VFA #839, have been working to arrange things in Van Buren and the area for our Reunion in August 2014. We will base the Reunion events at the American Legion Hall in Van Buren once again.

Planning for our meals has been done, and the committee is working on selecting entertainment for Friday and Saturday nights.

Securing your lodging early will be important, because the World Acadian Congress—CMA 2014—will start its run about the same time as our Reunion so there will be lots of others also seeking lodging. A list of hotels, motels, campgrounds, and RV parks is included in this newsletter for your convenience.

And don't forget your passports so you can cross to and from Maine and New Brunswick. There is family history on both sides of the St John River.

PRESIDENT'S MESSAGE

Greetings Violette Family,

I have been remiss in not getting out a newsletter before this, and I apologize. But this newsletter will give you the information so you can plan your attendance at Reunion 2014 this coming August.

Reunions have been an important part of the Violette Family Association right from the start. It was at that first Reunion in 1978 that attendees decided to start our organization, so we are coming up on 36 years at our Reunion 2014!

Reunion 2014 will provide you with an excellent opportunity to also explore your Acadian roots. Plan to take in some of the World Acadian Congress events while you are in the Upper St John River Valley.

And it is not too soon for families to begin thinking about where to hold Reunion 2017. That will be our 39th anniversary. Perhaps around Methuen MA—the site of our first Reunion—would be appropriate.

I hope to see you in Van Buren in August!

David A. Violette, VFA #621

RAFFLE ITEMS

As is our custom, we will be raffling off items donated by members and the proceeds will go to the Association. Please plan now for items to bring for the raffle; our next newsletter will have a raffle donation form so you can let us know at that time what you will donate.

We've had some very creative and beautiful items in our raffles in the past and this creates a lot of interest in the part of our members. So put your creative or inventive thinking caps on!

NEW MEMBERS

The Violette Family Association continues to grow. The latest VFA # assigned was 2951 in December 2014, which means that 846 members have been added since Reunion 2008!

If a member of your family is not a member of the Association please encourage them to join or let us know so we can enroll them. No cost to join.

IMPORTANCE OF DONATIONS

Please consider making a donation to the Association. The Association does not charge dues and so the only income to cover expenses comes from Reunions and donations. Reunions are designed to pay for themselves and provide some working capital for the following three years. Our major expense is our newsletters, which cost approximately \$700 each to publish and mail, so four newsletters cost about \$2,800.

You can mail a check to the Treasurer.

You can also donate securely online at our www.VioletteFamily.org web site using your PayPal account or a major credit card.

KEEP YOUR INFO UP-TO-DATE

We hate when we lose track of any member! Most often it is because the member has changed address or email and our emails or newsletters get returned. Please let us know when you move or change email addresses! Contact our Secretary@VioletteFamily.org or President@VioletteFamily.org

REUNION 2014 LODGING—HOTELS, MOTELS, CABINS

The list of Reunion area lodging in this newsletter is provided only for your convenience. We do not make any warranty that the info is current or correct. Please check on your own. GENEALOGY CHART REQUESTS

Time marches on, and so does our quest for our family ancestors and their descendants down to the current generations. Since the Reunion in August of 2011, I have added over 8,000 names to our family tree. I now have over 73,000 names; close to 20,000 are direct descendants of our progenitor, François Violet. The additional names are from the spouses and their ancestors that married into the Violette clan.

For the 2011 Reunion I had prepared genealogy charts for about 100 members that had requested them prior to the Reunion during the pre-registration process. During the Reunion I spent most of my time trying to satisfy the requests made at the Reunion.

I plan to prepare similar charts at the upcoming Reunion in 2014. Again, I will prepare charts from pre-orders during the advance registration process and have them available at the Reunion.

For those registering at the Reunion, I will have you fill out a form giving me the information I need, and mail the charts to you later. *You can download the form in Microsoft Word document format from our web site's Genealogy page.*

I suggest a fee of \$10 for the pre-ordered charts and an additional \$5 for those ordering at the Reunion to cover mailing expense. Any amounts over the cost will be donated to the Association.

I hope to see you in Van Buren.

CMA 2014 ACTIVITIES

Congrès Mondial Acadien 2014—the World Acadian Congress—will be an exciting time with activities planned for all ages. With opening ceremonies on August 8, 2014, CMA 2014 will continue through closing ceremonies on August 24th.

CMA 2014 is headlined "Acadia of the Lands and Forests" and is being celebrated in Maine, New Brunswick, and Quebec as shown in the map at the right, copied from the CMA 2014 web site cma2014.com/en/a-propos-de-nous/carte-de-la-region.

The CMA2014.com web site has a wealth of information, and it is being updated constantly. You can also subscribe to the CMA2014 newsletter

While the current complete CMA2014 program is always available at their web site—<http://cma2014.com/en/programmation/programmationcomplete>—some highlights around the time of our Reunion are shown on the next page. Attending our Violette Family Association Reunion 2014 will give you the chance to also check out CMA2014 activities.

CMA 2014 ACTIVITIES***Opening Ceremonies***

August 8th 2014, Edmundston (NB)

Opening Day will be structured according to the concept of routes converging from points of entry to the territory toward "Parc Turgeon" in Edmundston where the opening ceremonies will take place.

Acadian National Day

August 15th 2014, St. David (Maine)

To facilitate the logistics of customs formalities at the border, the August 15th activities are planned following a schedule and a geographical organization that will encourage participants to cross the border from all entry points at the beginning of the day. The participants will be encouraged to leave their cars on Canadian soil and use a shuttle service to cross the border. A second shuttle service will provide transportation towards St. David\Madawaska where the afternoon and evening festivities will take place.

New Beginning Ceremonies

August 24th 2014, Témiscouata-sur-le-Lac (Québec)

To encourage and illustrate the collaborative gains developed in Acadia of Lands and Forests because of the CMA 2014, we are exploring a pairing idea between municipalities with groups of three, one triad in Témiscouata, one in New Brunswick and one in Maine. Each triad would collaborate to offer an event on August 24th which would represent the result of their collective commitment.

PASSPORTS

With Reunion 2014 being located in Van Buren ME you will likely want to visit on both sides on the U.S.-Canadian border. You will need a passport or passport card to re-enter the U.S. as a U.S. citizen or a passport to re-enter Canada as a Canadian citizen. This applies to all ages, including children.

US Passport Requirements

The US now issues passport cards in addition to the traditional passport books. The cards are less expensive and can be used to enter the US from Canada, Mexico, the Caribbean, and Bermuda at land border crossings or sea ports-of-entry. Cards cannot be used for international air travel. Both adults and children under 16 require passport books or passport cards. Current information about US passports and fees is available at travel.state.gov/passport/fees/fees_837.html

Canadian Passport Requirements

For Canadians living in Canada information about passports and fees is available at www.ppt.gc.ca/cdn/form.aspx?lang=eng®ion=Canada.

CMA 2014 THEME DAYS

Theme days will be presented within the programming to celebrate the creativity, ingenuity, diversity and regions' cultural characteristics and partners of CMA 2014.

Aug 13: Children's Day

Aug 13-14: Scouts and Guides Movement Day

Aug 16: Experience Acadie

Aug 17: International Francophone Day

BOOK PROJECT: A VIOLETTE HISTORY

As reported in previous newsletters, a book project is underway to tell the history of our Violette family. The book traces our history starting with Charles Violet, born 1716 in Villejésus, France. Charles came to Louisbourg, on Île Royale (Cape Breton Island) in what is now Nova Scotia, in 1749 with his wife and children and spent the next eight years there before returning to France. His son François, our ancestor, stayed behind and began the family in North America. The chapters published to date tell those stories and takes François from Louisbourg, Île Royale, to the Hammond River, in the lower St John River Area and then upriver to what is now Van Buren ME and St Leonard NB.

The book is being published a chapter at a time, and members who keep their email address on file with the Association receive electronic notification for each chapter so they can download the chapter to read, print, and file.

However, all chapters are available at the Association's web site at any time. Go to www.VioletteFamily.org and click the **Family History** button to see the current list and do the downloads. Chapters available at this time from the web site include:

- Chapter 1: Charles Violet Born in Villejésus
- Chapter 2: Charles Marries, François Violet Born in Saintes
- Chapter 3: Charles and Marie Move Family to Rochefort
- Chapter 4: Charles and Marie Set Sail from La Rochelle
- Chapter 5: In the New World at Louisbourg
- Chapter 6: History of the Violette Family, Rita Violette Lippé
- Chapter 7: The Violette Family, Part 1, Maurice Violette
- Chapter 8: The Violette Family, Part 2, Maurice Violette
- Chapter 9: Charles Back to France
- Chapter 10: Some Legends About François
- Chapter 11: François Leaves Île Royale
- Chapter 12: François at Hammond River
- Chapter 13: François Moves to Madawaska Settlement

The chapters are available as drafts at first, and we encourage our members to proofread them and to offer comments, additions, or criticisms of the content. Each chapter will be published in final form after an appropriate period without additional comments. We plan to have fifteen chapters completed and available before Reunion 2014.
